

# Citroën C4

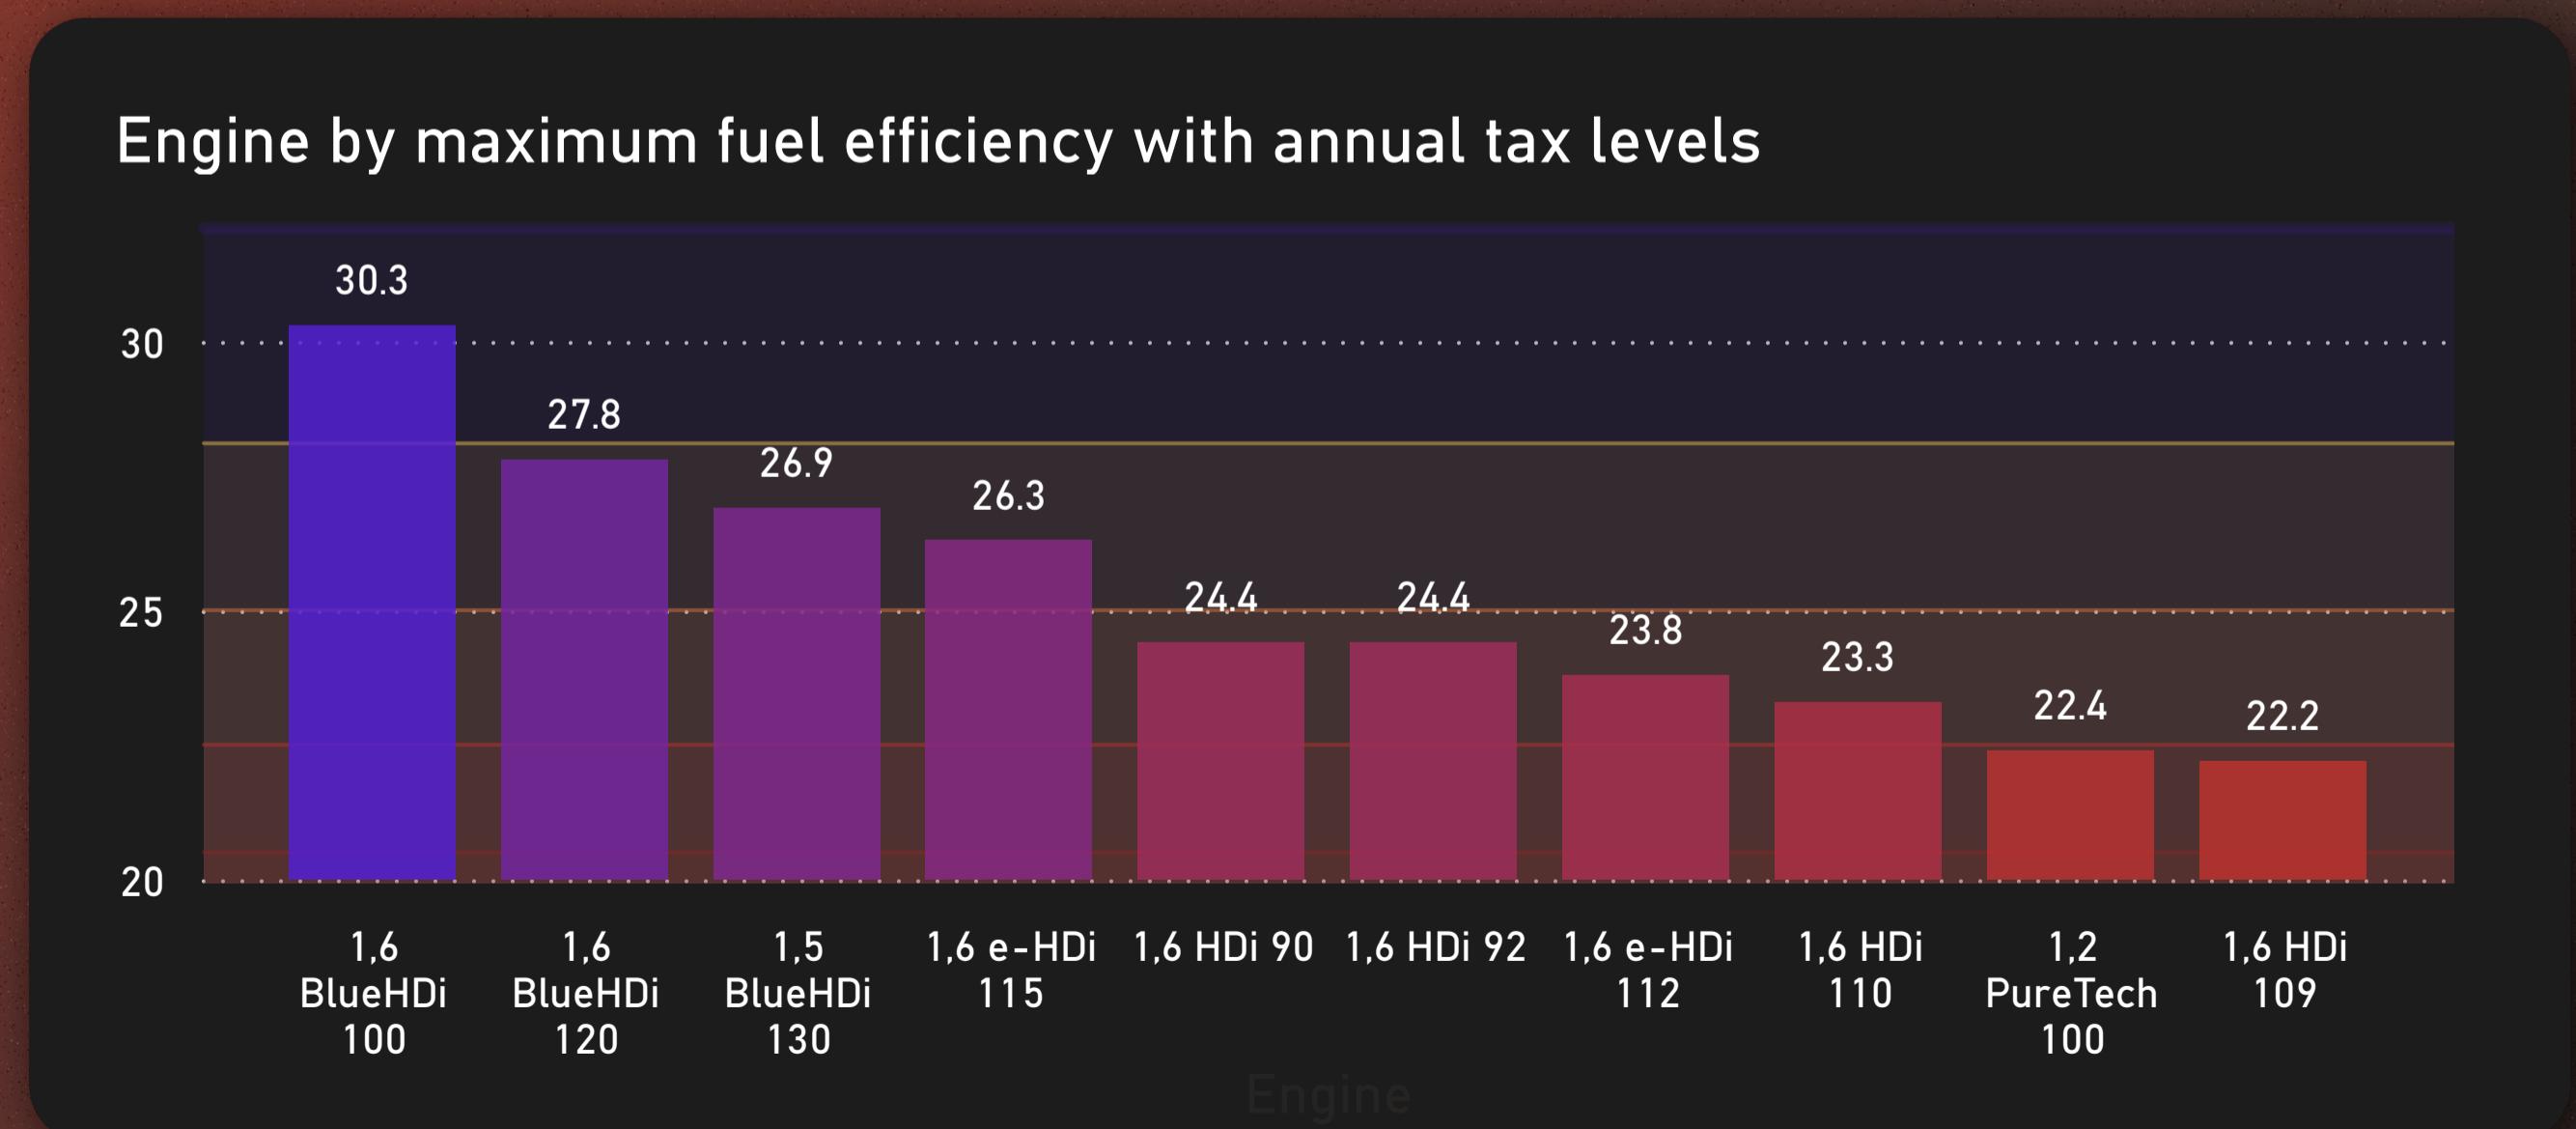

## Bilbasen Market Analysis

Of the newer BlueHDi engine configurations available, three sit in the third tax bracket, and one in the second. The BlueHDi 100 is the cheapest to own.

Of the newer BlueHDi engine configurations, the BlueHDi 100 variant is the one with the lowest asking price on the market.

Based on a linear fit, the BlueHDi 120 seems to hold its value better than the 100 variant.
